

REF# 173/3/4 II

**THE UNIVERSITY OF THE WEST INDIES**  
ST. AUGUSTINE, TRINIDAD AND TOBAGO, WEST INDIES

**FACULTY OF ENGINEERING**

Department of Civil & Environmental Engineering

**PROFESSOR OF CONSTRUCTION ENGINEERING & MANAGEMENT**

**Qualifications and Experience**

The successful candidate must possess a PhD in Civil or Construction Engineering and Management, with a blend of academic, research and industrial experience; proven leadership experience; a strong international scholarly reputation for Civil/Construction Engineering research; demonstrated ability to lead related research within the Department and to win substantial external research funding. The candidate's records should demonstrate:

- Outstanding teaching, research and at least fifteen (15) years related academic and professional/industrial experience as a distinguished Civil/Construction Engineer
- A track record of team work, grant awards, original research, distinguished, original and innovative work; high quality publications in peer-reviewed international journals
- Membership of an internationally recognized Professional Body or Engineering Institution
- High output capability in Construction Analysis and Construction Design

Further consideration will be given to candidates with specialization in one or more of the following areas:

- Facilities Management
- Construction Sustainability
- Equipment Selection and Usage in Construction
- Cash Flow Management and Business Accounting

Candidates with the following would have an advantage:

- Registration as a Professional Engineer or Chartered Engineer (UK)
- Research and/or teaching focus on Construction Engineering and Management

Experience in supervising Construction Engineering and Management projects at the postgraduate and undergraduate levels, and in course design and curriculum revision would be assets.

**Special Responsibilities**

- Delivering lectures in the Department's graduate and undergraduate programmes
- Coordinating postgraduate programmes
- Supervising student research projects
- Developing and executing research projects

**Personal Attributes**

The Department places high priority on individuals who can work well in a team environment. Candidates should also possess good communication and interpersonal skills. A good command of both oral and written English is essential. Candidates must also:

- be inspirational and dynamic with the vision and ability to promote collegiality, transparency and inclusiveness
- be able to interact and work well with staff, students and industry stakeholders
- have good organizational and leadership skills
- be self-motivated

---

Detailed application and full curriculum vitae should be sent to the University Registrar, Office of Administration, The University of the West Indies, Regional Headquarters, Mona, Jamaica, W.I., **Fax No. 1-876-977-1422; e-mail: oadmin@uwimona.edu.jm**.
